Directors report Year ended 31 December 2015

The directors present their report and the financial statements of the company for the year ended 31 December 2015.

Directors of the Company

The present membership of the board is listed on the 'Directors and other information' page.

Principal activities

The charity continued to provide charitable assistance payments to deserving applicants. The assistance payments decreased in 2015. The Directors are satisfied with the results for the year.

Principal risks and uncertainties

The difficult economic environment in Ireland may result in a decline in the charity's income and a reduction in the value of the charity's investments. However the Directors are confident they can manage these risks effectively.

Accounting records

The measures taken by the directors to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. The accounting records of the company are located at 74 Upper Leeson Street, Dublin 4.

Auditors

The auditors, John Mulderrig & Company Limited, have indicated their willingness to accept re-appointment under Section 383(2) of the Companies Act 2014.

This report was approved by the board of directors on $\frac{12/3}{2v/k}$ and signed on behalf of the board by:

Felix M Larkin

Director

Kenneth Langan

Director

Directors responsibilities statement Year ended 31 December 2015

The directors are responsible for preparing the directors report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council, and promulgated by the Association of Chartered Certified Accountants. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- · select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of The Sick & Indigent Roomkeepers Society Inc Year ended 31 December 2015

We have audited the financial statements of The Sick & Indigent Roomkeepers Society Inc for the year ended 31 December 2015 which comprise the income statement, statement of income and retained reserves, statement of financial position, statement of cash flows and related notes. The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council and promulgated by the Association of Chartered Certified Accountants.

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the directors responsibilities statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2015 and of its deficit for the year then ended; and
- have been properly prepared in accordance with the relevant reporting framework and, in particular the requirements of the Companies Act 2014.

Independent auditor's report to the members of The Sick & Indigent Roomkeepers Society Inc (continued) Year ended 31 December 2015

Matters on which we are required to report by the Companies Act 2014

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors report is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of our obligation under the Companies Act 2014 to report to you if, in our opinion, the disclosures of directors remuneration and transactions specified by sections 305 to 312 of the Act are not made.

Notes to the financial statements Year ended 31 December 2015

1. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

2. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities measured at fair value through profit or loss.

The financial statements are prepared in euros, which is the functional currency of the entity.

Transition to FRS 102

The entity transitioned from previous ROI GAAP to FRS 102 as at 1 January 2014. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 12.

Income Policy

Investment Income

The income and expenditure account includes all dividends and interest from Irish and United Kingdom investments payable to the Society during the year.

Subscriptions, donations, church collections and legacies

Subscriptions, donations, church collections and legacies are recognised in the accounts of the Society when they are received and recorded in the Society's books.

Rental Income Receivable

This is recognised in the period in which it becomes due.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to income statement.

Tangible assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment loss. Cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

Notes to the financial statements (continued) Year ended 31 December 2015

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fittings fixtures and equipment

- 15% Straight line

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

Investments

Listed investments are stated in the balance sheet at fair value to the Society. In arriving at the market value of listed investments they are valued at the market prices ruling at the close of business at financial year end.

Unlisted investments are stated at cost unless there is a permanent diminution in value.

Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

3. Limited by guarantee

The Sick and Indigent Roomkeepers' Society (Incorporated) is a company limited by guarantee and not having a share capital. It is a registered charity and is exempt from taxation. The liability of the members to contribute in the event of a winding up is limited to €1.

4. Income

The whole of the income is attributable to the principal activity of the company wholly undertaken in Ireland.

5. Non operating items

· -	2015	2014
	€	€
Fair value adjustment to listed investments	(42,389)	84,335
Write back of pension provision	-	62,197
Gain on disposal of investments	82,720	-
